

FROM THE PRINCIPAL

Dear Parents and Community Members,

The annual report card issued by the Oregon Department of Education is designed to provide a comprehensive picture of Banks Middle School.

Banks Middle School offers a comprehensive educational program focused on the state and common core standards in all subjects. Our goal is to engage students in the journey of lifelong learning.

This past year, our school opened the doors of a brand new building. Our staff is committed to educational excellence, and helping our students set and reach their goals, and preparing students for High School and beyond.

We ask your assistance in supporting your student's success through homework, encouraging perfect attendance, attending conferences and modeling the joy and value of learning to your student.

We look forward to partnering with you over the coming year to make sure all of our students reach their potential!

Thank you,

Principal | Shelley Mitchell

STUDENTS

OVERALL SCHOOL RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.
