

Dear Banks School District Families,

Food Service

We received great news today. Banks School District has received a waiver from the USDA to serve FREE meals to anyone ages 1-18 from the Banks Elementary School site. The children do not have to attend the Banks School District or live in the Banks School District attendance area. All children are welcome. They can choose a breakfast, lunch or both!

The hours will still be from 10:00 am - 12:00 pm at the Banks Elementary school, Monday through Friday.

The waiver received is retroactive, so anyone who has received meals this week will NOT be charged.

Distance Learning for All

We will be handing out supplemental packets on Friday April 3rd, and Monday April 6th from 10am to 12pm at each school. On April 13th, supplemental packets will become Distance Learning for All. We now are able to deliver new instructional material and track student progress. More to come on this as we get closer to April 13th.

Supplemental Packet Distribution

High School — Drive thru style by cafeteria entrance. Please do not get out of your vehicle.

Middle School — Drive thru style in front of middle school. Please do not get out of your vehicle.

Elementary School — Packet distribution will be at the front entrance of the school. There will be cones set up to ensure social distancing is practiced. Parents, please leave children in vehicle after parking. You will be able to pick up both packets and food at the same time. Do not gather in groups. Thank you for your help with this.

If you are in need of delivery for food and/or supplemental packets, please contact your child's building principal.

In this difficult time in our community and country, please help us by practicing appropriate social distancing as you arrive at our schools tomorrow and in the future.

Sincerely,

Jeff Leo
Superintendent
