

Banks School District 13

Code: **DD**
Adopted: 7/10/00

Funding Proposals and Applications

The district shall pursue federal, state or private grants or other such funds that will assist the district in meeting adopted Board and district goals.

Proposals for external funds will be submitted to the Board for evaluation and approval. The Board directs that each proposal regarding the pursuit of outside funding includes the obligations, expectations or encumbrances which will exist when the grant or other outside funding ceases.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the superintendent is authorized to use his/her judgment in approving it for submission. The superintendent will review the proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant which has been approved.
