

Banks School District 13

Code: **IFA**
Adopted: 10/14/96
Readopted: 7/10/00
Orig. Code(s): IFA

Curriculum Research

The Board encourages the administration and staff to investigate and develop ideas, methods and curriculum which will improve the educational programs of the district.

Experimental programs and pilot projects must be approved by the superintendent. Approval shall be for a stated period of time and an evaluation system shall be developed and implemented upon approval of the program.

Objectives of the program must be consistent with district goals.

The program must not detract from the regular instructional program.

If data from the program is published, individual student rights of privacy and district policies regarding student information will be followed.

END OF POLICY
