Advanced College Placement

It is the belief of the Board that any student who is capable of, and wishes to do college-level work while in high school, should be permitted to do so and given assistance in enrolling in advanced courses.

Any 11th or 12th grade student may enroll in a course at a college for college credit. If the student wishes to receive high school credit for the course, he/she may request permission from his/her principal, through the counselor, to apply the course toward high school graduation requirements.
