

Banks Elementary Kindergarten Readiness Academy Application

The Banks Elementary Kindergarten Readiness Academy will host two sessions, depending on the number of applications received. Due to health and safety requirements, we are limited on the number of students we can accept, therefore students will be accepted on a first come first serve basis. **Kindergarten Academy is open to students who are not currently enrolled in preschool, who live in the Banks School District and who will be entering kindergarten in the fall of 2021.** The first session will begin on May 3, 2021 and run through May 20, 2021. The second session will begin May 24th and run through June 10, 2021. Students will attend only one of the offered sessions Monday - Thursday, two hours each day, from 9:30 to 11:30. They will receive academic and social/emotional instruction.

If you are interested in this program for your child, please fill out this application and return it to the Banks Elementary School office. Parents will be responsible for transportation to and from the school.

Please note: Masks are required to be worn at all times while in school.

Please return your completed application via email to lorih@banks.k12.or.us or bring it into the BES front office no later than Friday April 16, 2021.
