

Resident and Nonresident Student Transfer Timelines

Schedule for the 2018-19 School Year (For Transfers Effective in 2019-20)

Resident Student Inter-District Transfer Request Timeline

For students living in the Banks School District who wish to attend a School in a different district

March 2019	Board determines District's participation in HB 2747 inter-district transfer process, including number of students to accept and to release.
April 1 - May 15, 2019	Requests for release accepted; releases granted up to the limit determined by the Board. Lottery process conducted, if necessary (see below).
By May 30, 2019	Letters sent to parents/guardians informing them of the outcome of their student's request for release.

Non-Resident Student Inter-District Transfer Request Timeline

For students living in another school district who wish to attend school in the Banks School District

March 2019	Board determines District's participation in HB 2747 inter-district transfer process, including number of students to accept and to release.
April 1 - May 15, 2019	Students must request release from their home district and must fill out an inter-district transfer request form with the Banks School District. Requests can only be accepted for schools that have identified open slots.
May 24, 2019	Conduct prioritization and inter-district lottery process** (as needed) for each school to fill slots allocated for inter-district transfers.
By May 30, 2019	Letters sent to parents/guardians informing them of the outcome of their student's inter-district transfer request.
After May 15, 2019	Consideration of inter-district transfer requests after this date will be limited only to applications related to recent/impending family relocations and extreme hardships as defined by ORS 581-021-0019.
