School Goals

Our school strives to promote student success by building strong relationships between the students, staff, parents, and community. We believe that all students can learn. We are attending to student's social and emotional health. We have been focused on improving attendance, communication with stakeholders, and addressing student needs after returning to in-person school.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

We have activities to help students transition successfully to high school and graduate in four years. We start each school year with a new student orientation to welcome students. We advertise and use SafeOregon as a resource to report concerns. We have added CharacterStrong curriculum and added an advisory period for all students.

About Our School

ADVANCED COURSEWORK

Our school offers many dual credit, AP and Honors courses for our students in grades 9-12.

AP courses - Calculus, Biology, Environmental Science, Human Geography, Government, English Literature, and Psychology

Honors - English 9, 10, and 12.

Dual Credit - Agricultural Technology, Animal Science, Chemistry, Design Seminar, Film & Video, Fire Science, Graphic Design, Honors Biology, Honors English 12, Trigonometry/Pre-Calculus, Welding 2.

We partner with College Board, ESD partners, Portland Community College, Western Oregon University, and Tillamook Bay Community College to offer college credit for high school classes.

CAREER & TECHNICAL EDUCATION

We offer three strands of Career and Technical Education. In each strand students can take several courses for high school and college credit:

- Fire Science: Fire Science I & II
- Applied Arts: Intro to Multimedia, Graphic Design, Film & Video, Media Arts, and Design Seminar

- Agriculture/Manufacturing: Intro to Agriculture, Welding, Metal Fabrication, Agricultural Technology, Supervised Agricultural Experience, Agricultural Business Management.

EXTRACURRICULAR ACTIVITIES

We offer several clubs, co-curricular, and extracurricular activities. Many of these activities have had a great deal of success over the past several years. Many of our students participate in one or more of the activities offered.

Clubs and Co-Curricular Teams: Anime, National Honor Society, Drama, Robotics, Garden, Leadership, Native Club, Fabrication & Design, Future Farmers of America, Gender Sexuality Alliance, Choir, Band, and Percussion.

Extra-curricular: Cross Country, Boys Soccer, Girls Soccer, Football, Volleyball, Wrestling, Dance and Drill, Boys Basketball, Girls Basketball, Baseball, Softball, Track, Golf, and Equestrian.

PARENT & COMMUNITY ENGAGEMENT

We provide several newsletters throughout the year to parents. We maintain a social media presence to keep stakeholders informed about upcoming events and celebrate successes. We partner with several community partners for a Career Day to help students plan and prepare to be college and career ready. We offer several events throughout the school year for parents including: parent-teacher conferences, financial aid night, 8th grade parent night, awards night, and mock interviews. We have a Parents' Association who meet monthly to support students and programs.
