School Goals

- Empower students by supporting their academic growth, offer enriching and challenging instruction, provide relevant learning experiences, and promote a positive school culture.
- Energize our team by engaging them with high quality professional development and providing necessary resources.
- Engage our community through proactive communication and opportunities to get involved.
- Enrich our facilities by creating a safe and welcoming environment and inclusive and accessible spaces.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Visitors and volunteers are welcome at Banks Elementary and are encouraged to come and support the school. Volunteer background reference checks are done every year for any person over 18 who volunteers under the supervision of a licensed staff member. Lunchtime is a popular time for parents to visit their children mid-day as well as be a part of the school community.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Banks Elementary follows all policies and procedures to protect students and staff from unsafe situations and conditions. BES utilizes the Character Strong curriculum for social and emotional wellness as well as Second Step curriculum for bullying prevention. BES is also a Positive Behavior and Interventions School. As a district we are also members of the SafeOregon.com safety threat reporting network.

EXTRACURRICULAR ACTIVITIES

Banks Elementary is the hub of the community. In an effort to provide positive experiences for students after school, we offered a Robotics and Coding club, a choir club, as well as a chess club. We will continue to make additions to after school opportunities for our students. Banks Youth Sports is still active and a large part of our community.

PARENT ENGAGEMENT

Volunteers are an important part of our school community. We have many parents who spend hours at the school, providing much appreciated support to students and staff. Parents are encouraged to attend parent-teacher conferences as well as assemblies, evening events, fundraisers and performances at the school.

COMMUNITY ENGAGEMENT

Banks Elementary has a strong Parent-Teacher Organization that encourages participation in family events and fundraising opportunities. In the past, the PTO has sponsored an Open House at the start of the school year, concerts during the school year and a STEAM night in May. These events are always very well attended and we look forward to offering these opportunities to our students and families again this year. The school has also partnered with an after school daycare group for families needing additional supervision coverage for their children before and after school.
