

PETITION TO BE RELEASED FROM COMPULSORY ATTENDANCE

Except as provided in ORS 339.030, all children between the ages of 7 and 18 years who have not completed the 12th grade are required to attend regularly a public full-time school of the district in which they reside.

The exceptions stated in ORS 339.030 must be handled individually and in a manner that will, to the best of our ability, provide the child with a course of action that will provide the best possible solutions to his/her request.

To insure that each and every child receives the same consideration, every request that is made must first come to the attention of the building administrators.

Please check one of the following EXCEPTIONS for which you would like to be considered:

- Children between the ages of 16 and 18 who are lawfully employed full time.

- Children between the ages of 16 and 18 years who have the mutual consent of the school administration and the parent or other individual having custody or legal guardianship over a child.
