

# Chess Club Permission Slip

Chess Club meets on Wednesdays from 3:10-4:00 PM in the Banks Middle School Library. The club will be supervised and advised by a parent volunteer and Banks SD parent, Auke Kok. Staff members will also be on site to support the club. In order to ensure a productive and supportive environment, students will be held to the below expectations:

Chess Club Expectations:

- No Cell phones out
- Water only for drinks, but snacks are allowed as long as students clean up after themselves.
- Students will contribute to a collaborative and positive environment.
- Students will respect each other, the club advisor, and the materials.

If students are unable to follow the above expectations, they will be given a warning and the parent will be notified by a staff member. If the student continues to not meet expectations, they will not be allowed to continue their participation in chess club.

In addition to acknowledging the above expectations by signing this form, parents must also acknowledge that there is no transportation provided and parents/guardians are responsible for arranging transportation home. Please organize with your child if/when they are planning to attend. This permission slip must be completed for your student to participate.

Contact Ms Everett for questions at [caitline@banks.k12.or.us](mailto:caitline@banks.k12.or.us).
